S i r,

Grants - Collector's Discretionary grant - 1937-38 - erection of a shelter for the Depressed classes - Sanction sought -

---

The District Labour Officer, South Kanara, has brought to my notice the need for putting up a rest-house at Mudabidri (in Karkal taluk) for the use of the coolies of the Depressed Classes who migrate annually from this district to work in the plantations over the Ghauts and who are often forced to spend a day or two at Mudabidri on their way. It has been found that many Depressed Class families now seek shelter under avenue --- trees on the roadside, as they cannot get shelter elsewhere in Mudabidri and that the need for a proper rest-house for them is real and urgent at this central place.

2. I have, while surrendering Rs.250/- out of my --- Discretionary Grant for the first six months of 1937-38 reserved a sum of Rs.500/- for the construction of a shed which will satisfy the needs of the Depressed Classes at Mudabidri. The use of the Discretionary Grant is however restricted to the objects detailed in paragraph 3 of G.O.No.565 Mis. Revenue, dated 4.6.35 and the construction of the shed is not covered by any of them. In G.O.No.2349, Revenue, dated 4.10.35,

2

Government has been pleased to sanction the utilisation of a portion of the Collector's Discretionary Grant on the construction of similar sheds in this district and I request that similar sanction may now be given, permitting me to utilise the balance of Rs.500/- available with me for the shed at Muvabigiri.

The shed will not, in the ordinary course, require any annual repairs. It will be left in the charge of the village headman who has undertaken to maintain it properly and arrange to effect any repairs that may be found necessary.
